

Child Protection Statement

Grandparents For Grandchildren (GFGSA) aims to establish a safe environment for all people, especially children and young people, that access our services. GFGSA is committed to the safety and well being of all children, young people and families.

GFGSA supports the rights of the child and will act to ensure a child safe environment is maintained at all times. The protection of children and young people who may visit our premises, is the responsibility of all GFGSA volunteers.

We also support the rights, wellbeing and responsibilities of our volunteers and supporters and encourage their active participation in building and maintaining a secure environment for all participants.

All GFGSA volunteers receive training in Child Safe Environments and reporting child abuse and neglect.
